

A large, tan-colored building with a central entrance and several arched windows. The building has a flat roof and a simple, functional design. The entrance is recessed and features a decorative doorway.

A white sedan parked on the street in front of the building. The car is facing right and is positioned in the middle ground of the image.

A white sedan parked on the street to the right of the building. The car is facing left and is positioned in the middle ground of the image.

A yellow, cylindrical trash can located on the left side of the street, near a utility pole. It is positioned in the foreground, partially on the concrete sidewalk.

A tall utility pole with multiple cross-arms and wires, located on the left side of the street. It is positioned in the foreground, partially obscuring the view of the building behind it.

A tall utility pole with multiple cross-arms and wires, located on the right side of the street. It is positioned in the foreground, partially obscuring the view of the building behind it.

A smaller, tan-colored building with a white dome on top, located to the left of the main building. It has a similar architectural style and is partially obscured by the utility pole.

A smaller, tan-colored building with a flat roof, located to the right of the main building. It has a simple, functional design and is partially obscured by the utility pole.
